**FOR IMMEDIATE RELEASE**

**Phillips Plastics Corporation<sup>®</sup> Awarded Excellent Supplier for 2007**

**Prescott, Wisconsin** – Recognized for outstanding customer service, quality, on-time delivery, and overall superior performance, Phillips Plastics Corporation<sup>®</sup> has received the prestigious Excellent Supplier Award from the American Purchasing Society. The American Purchasing Society, a professional association consisting of over 5,000 buyers and purchasing managers from all industries, conducts an annual survey of members to determine the best suppliers nationwide. Buyers and purchasing managers nominated Phillips Plastics as a supplier that has consistently demonstrated exceptional service. According to Brad Wucherpfennig, Phillips Plastics' President and Chief Operating Officer, "We are honored to be a recipient of this award because it recognizes key areas of value that we strive to consistently provide our customers. As a company that offers supply chain management for every phase of the product development cycle, this award affirms our dedication to customer satisfaction throughout our business."

**About Phillips Plastics**

Phillips Plastics Corporation is a forty-three year-old custom injection molder of plastic and metal with annual sales of over \$250 million. The Company employs 1,600 people in 15 locations throughout the United States, occupying over 620,000 square feet, including design centers in Wisconsin and California, and provides complete services from concept design, rapid prototyping, and tooling through production, assembly, packaging and distribution to virtually every market.
